A Brief History of St Chris

St. Chris Established

St Christopher School (then known as the 'Garden City Theosophical School') was established in 1915 by headmaster, Dr. Armstrong Smith, ready for a new style of education.

Initial Meeting of the School Council

The Council consisted of 32 students and staff and met on a fortnightly basis to discuss and legislate on school matters. From December 1920, decisions made by the Council were later ratified by a meeting of the whole school.

Abolishing Uniform

Following a protest in the school magazine, the School Council discusses abolishing school uniforms for boys. The motion is, eventually, passed but no action is taken. During the war, clothing rationing and difficulties for parents meant that uniform was relaxed in 1938.

Swimming Pool Built

Parents contribute an initial £600 towards building the school swimming pool and pupils aim to raise £1000 themselves in 1961. The community pulls together to remove topsoil, excavate and build the pool. By 1968, the pool and changing rooms were completed.

Theatre and Sports Hall Open

A drama festival of eight plays marks the opening in 1982. Over the next decade, the enthusiasm of pupils allowed an average of five school productions each year, ranging from *Twelfth Night* and *Three Sisters* to *Blood Wedding* and *Accrington Paris*.

Present Day

Today, St Chris is a vibrant, thriving community working together. We believe in the benefits of an informal approach underpinned by the belief that all voices, from the youngest member of the nursery to the chair of governors, should be listened to and treated respectfully.

Let's work together.
